CHAMPION AWARDS

a celebration of pet owner happiness

PACK PICK: FORT MCMURRAY SPCA

LOCATION: FORT MCMURRAY, AB

On May 1st, seeing how close a dangerous wildfire was, the good people at the Fort McMurray SPCA were proactive and moved all the animals out of the shelter to safety. On May 3rd, tragedy struck and the entire city was evacuated as fires started burning throughout the city! Over 90,000 people were forced to flee the city, many having no choice but to leave their beloved pets behind. On May 5th, the Ft. McMurray SPCA, in conjunction with other agencies and bylaw services risked their own safety to go door to door, looking for pets left behind, rescuing, feeding and providing medical care and moving to safety in Edmonton, over 1000 pets who had been left behind. In the days since the fire, this amazing facility has been providing pet food and supplies to any and all community members who returned and were in need as well as helping with housing of beloved pets until owners could get back into their homes or find other accommodation for those who lost theirs. Without worrying about the dollar cost, the Fort McMurray SPCA went well over and above their responsibility but know every animal matters! This facility, in my eyes, is the epitome of a Champion of Pet Owner Happiness and deserve this title!
