WHAT IS AN ACCIDENT?

This is important to understand, as this policy only covers conditions that are the direct result of an accident.

To be considered eligible for coverage the event that causes injury to your pet has to meet the following criteria:

- Unforeseen and unexpected
For example, your cat ventured out onto your balcony to watch a bird and slipped, falling to the ground below.
- Independent of all other causes; in other words, the injury is not secondary to another contributing condition.
For example, if your dog has arthritis and has difficulty climbing the stairs due to joint pain. On one occasion he slips and falls back a few steps injuring his leg. In this situation, the arthritis is a contributing factor that led to the slip and resulting injury.
- Involves an external force, impact or contact with an inanimate object.
Some examples:
 - *If your dog is hit by a car (inanimate object) and receives lacerations and abrasions (injury) as a result of the impact.*
 - *If your dog is running in the woods and catches his leg in a hole in the ground or between some logs (inanimate objects) resulting in a fractured leg (injury).*

Examples of injuries that are considered accidental and eligible for coverage;

- *Cuts and lacerations*
- *Fractured bones or nails that had no underlying pathology*
- *Poison or toxin ingestion*
- *Ingestion of a foreign body (e.g. ball or child's toy) which caused an obstruction and that required surgical or medical intervention to remove the obstruction*

Examples of events or conditions that are not considered an accident for coverage under this policy;

- Anaphylaxis
- Bloat
- Lameness
 - *If an owner returns home from work and notices their dog has a limp with no obvious evidence of a traumatic event occurring, it is quite possible that this would not be eligible as an accident under the terms of this policy.*
- **Cruciate Ligament & Patella Coverage Guidelines:**
The veterinary literature is unanimous in stating that although a partially torn or fully torn cruciate ligament can result from severe trauma, the vast majority of them are a result of chronic degenerative disease within the ligament itself. These degenerative changes can take place over many months and may not be evidenced by any prior clinical signs. Cruciate Ligament Disease is a progressive, degenerative condition. Conformational, developmental, hormonal, inflammatory, autoimmune and lifestyle factors may all play a role in the development of the condition. Clinical signs typically appear acutely, leading pet owners to conclude that an accident has occurred. In reality, the rupture of the cruciate ligament is the end result of an ongoing disease process.

In other words, a dog doesn't have to be lame while this degenerative process is taking place. Once the ligament structure has been compromised, it takes very little to cause it to finally rupture causing a "sudden" lameness (e.g. falling while playing). Consequently, unless under exceptional circumstances, we consider a torn cruciate ligament to be an illness, not an accident. A torn cruciate ligament typically does not have coverage under our accident plan. In order to be considered for coverage, the injury must result from a documented external force that can be identified as the sole cause of the injury, independent of any other contributing factor, and is subject to our approval

A luxating patella is an extremely common problem, primarily in small dog breeds under 30 lbs. Half of the affected dogs have both knees involved; half only one knee. In the veterinary literature, it is considered a congenital disorder (illness) which produces multiple skeletal abnormalities in young dogs that predispose to patella

luxation at a later time, sometimes after a minor fall. For the purpose of eligible coverage under this policy, we consider luxating patellas to be an illness, not an accident.

DETAILS ABOUT YOUR ACCIDENT BENEFITS

Here's where you'll find useful information about the details of the insurance benefits we provide for your pet, as a direct result of an accident.

Benefit Maximum

\$5,000 is the maximum we will pay per policy year in *Accident Benefits* for your pet.

There is no lifetime limit or cap that applies to your pet.

We pay a benefit when services are provided by any veterinarian licensed in Canada or the United States (when you and your pet are travelling in the United States).

You must satisfy any applicable co-insurance and deductible for all coverage, unless stated otherwise below.

Subject to these terms and conditions, we cover the following medically necessary expenses required to treat an injury to your pet that is caused by one or more accidents. The accident must occur after the expiry of the waiting period and while your policy is in effect.

1. Veterinary services

Consultations, exams, emergency care, hospitalization, drugs, surgery, anaesthesia, specialist referrals and other medical procedures performed by a licensed veterinarian.

2. Alternative therapies

Acupuncture, chiropractic services, naturopathy, hydrotherapy, massage therapy, physiotherapy, and laser treatments are all eligible expenses, if provided by, or under the supervision of, a licensed veterinarian and related to an eligible accident.

3. Dental treatment

We cover and pay for expenses required for the necessary extraction of non-diseased teeth fractured due to a known and documented external trauma, in an otherwise healthy mouth (this does not include deciduous teeth, resorptive lesions, non-erupted teeth, stomatitis, periodontitis, incidental findings of fractured teeth, or teeth fractured due to chewing behaviours).

4. Medical devices

Up to \$1,000 for the cost of medical devices supporting independent mobility (for example, a canine wheelchair, prosthesis, harness, sling) as well as diagnostic devices prescribed by your veterinarian and subject to our prior approval.

Subject to these terms and conditions, we cover the following

if the incident occurs after the waiting period and while your policy is in effect:

1. Boarding kennel or cattery fees

(Recovery time at home is not eligible for coverage). The period of your, or your immediate family member's, hospitalization and the period of stay in a commercial kennel or cattery must occur while this policy is in effect, after expiry of the applicable waiting period. Limit is \$1,000 per incident, and up to a maximum of \$30 per day.

2. Holiday trip cancellation

We reimburse travel and accommodation costs when your pet receives life-saving emergency treatment required because of injury due to an accident that requires you to cancel a trip within seven days before leaving, or to cut short a holiday. The accident causing injury and the emergency treatment must occur after expiry of the applicable waiting period and while your policy is in effect. Limit is \$1,000 per incident.

To be eligible for trip cancellation benefits:

1. You must not have recovered travel and accommodation costs from other sources.
2. You must have booked your holiday 28 days or more in advance.
3. Any injury due to an accident suffered by your pet necessitating the emergency treatment must not be excluded from coverage.
4. Any accident and injury necessitating such emergency treatment must occur after expiry of the applicable waiting period and while your policy is in effect.

We reimburse the cost of advertising and reward money paid, if your pet goes missing for longer than 48 hours and you've reported your loss to a local shelter, humane society or animal services agency. Benefit limit is up to \$1,000 per incident. Pets

lost within the initial 48 hours of the policy effective date are not entitled to this benefit. Pets lost within the initial 48 hours of the policy effective date are not entitled to this benefit.

To be eligible for reimbursement the person you are rewarding can't be your immediate family, or a person you employ or with which you live. For any reward amount, we need a signed receipt from the person who (thankfully) found your pet.

4. Euthanasia and cremation or burial costs for your pet

Euthanasia and cremation or burial costs, if your pet passes as the direct result of an accident. Any injury due to an accident suffered by your pet causing death must not be excluded from coverage. Any accident causing the death of your pet must occur after expiry of the applicable waiting period while your policy is in effect. Limit is \$1,000.

5. Pet tribute

We'll donate \$50 as a tribute in honour of your pet to one of our Pets Plus Us tribute charities in your pet's name should your pet pass away due to injury caused by an accident occurring after expiry of the applicable waiting period and while your coverage is in effect.

WHEN COVERAGE TAKES EFFECT

This section shows the waiting period that applies to each of your benefits. There is no coverage unless the accident and injury occurs after expiry of the waiting period.

Coverage type	Waiting period
Accident	48 hours
Additional Benefits	48 hours

All waiting periods start at 12:01am on your policy effective date.

WHEN YOUR POLICY ENDS

Your policy and all coverage ends on the earliest of:

1. The date we terminate your contract in accordance with Section 5(1) of the Statutory Conditions because you have not paid your premium when due;
2. The next month's policy anniversary date following the date we receive your cancellation request; and
3. The date your pet passes away.

YOUR OBLIGATIONS

Below we describe your responsibilities in paying for coverage and sharing costs.

The Cost

The cost for your Pets Plus Us policy is the premium. You must pay the premium that applies to your policy to keep it in effect. The amount of the premium can be determined by reviewing your *Summary of Coverage*. Premiums are due monthly on your payment date. Your premium and/or coverage features do not change more frequently than once in any 12-month period. We will give you advance notice of any changes.

Your Share and Your Deductible

This section explains the amount that we reimburse you, and how much you pay.

By contributing your share, everyone benefits. Because of your contribution, we're able to keep our cost for coverage competitive, while providing you with additional services that can help make being a pet owner a lot easier.

Championing pet owner happiness is what we, at Pets Plus Us, do best.

As a member, you participate in coverage costs by paying a percentage of the cost of care (your "Share"). In insurance speak, this is called "co-insurance."

You also pay a deductible. Both your share and your deductible are shown on your *Summary of Coverage*.

YOUR SHARE:

Your share is:

20%

We reimburse:

80%

Please bear in mind that:

- Your share is applied first, followed by your deductible.
- The deductible is an annual amount so once you've paid it, it won't be applied again in that policy year.
- You never pay the deductible unless your pet actually needs veterinary care and you have to make a reimbursement request.
- We will not reimburse claims where you did not follow the recommended advice of a veterinarian. This includes medical conditions preventable by vaccination, prophylactic medication, or sterilization (spaying and neutering), unless covered with a rider specific to these treatments.
- Taxes are included in the amounts paid back to you under all Pets Plus Us coverage.

Annual deductible for dogs and cats

\$100

When the deductible is applied

The deductible is applied annually based on the policy anniversary date.

Sample calculation

Penny had an energetic beagle named Lloyd. One day, Penny had to leave suddenly for a rush work assignment and forgot to secure the outside gate. Lloyd darted into traffic on the nearby street and was struck by a motorist who wasn't able to stop in time. Lloyd had to be rushed to the vet for emergency treatment.

Penny's Pets Plus Us Accident insurance provided for reimbursement of 80 percent of the \$2,000 incurred veterinary costs, less Penny's \$100 deductible.

Example: Penny's reimbursement request

Veterinary bill	\$2,000 (including taxes)
Less Penny's share (20%)	- \$400
Less Penny's selected annual deductible	- \$100
Pets Plus Us reimburses Penny	\$1,500

A few months later, Lloyd had another accident when the front porch steps collapsed. This time Penny's bills totaled \$1,000. Because Penny had already paid an annual deductible, there was no deductible so her share was \$200 (20%) and Pets Plus Us paid the \$800 (80%) balance.

REIMBURSEMENT REQUEST

Here's where you'll find information about how to submit your reimbursement request (also known as "making a claim") and what you need to do prior to making the request.

Your reimbursement is a priority at Pets Plus Us. We will process all reimbursement requests – whether simple or complex – as quickly as possible once we have received all of the required documentation. You'll hear from us if there's any delay, such as needing to contact your veterinarian directly for more information.

Financial responsibility

You must pay your veterinarian first for all services and treatments, and then submit a reimbursement request to us. We'll reimburse you for all eligible costs based on the specified amounts and coverage outlined in this document.

For more expensive procedures we can make special arrangements with your veterinarian for direct payment. Talk to one of our representatives to request this arrangement.

Reimbursement request forms

Visit our Member Centre: [Portal.PetsPlusUs.com](https://portal.petsplusus.com) to submit your reimbursement request online.

Please note that when submitting a paper request we have special reimbursement request forms for the Additional Benefits such as boarding kennel or cattery fees, cremation or burial, holiday trip cancellation or lost pet advertising and rewards. Find our paper claim forms on the Service & Claims section of our website.

How to request reimbursement

Visit our Member Centre: Portal.PetsPlusUs.com to submit your reimbursement request online, be sure to include your itemized receipts for the pertinent costs.

Contact one of our knowledgeable representatives at: 1-800-364-8422 for information on other reimbursement request options.

Before you submit

To avoid processing delays, please ensure that the reimbursement request form includes all the following:

- Your name, signature and policy number;
- The name of the injury eligible for reimbursement, completed by you and/or your veterinarian; and
- All paid-in-full receipts (including an itemized breakdown of charges).

When reimbursement requests are eligible

We only pay reimbursement requests that we receive no later than six months from the treatment date or within 60 days of the date your policy terminates, whichever occurs first.

If your claim is submitted on your behalf by your veterinary clinic you are responsible to ensure it is submitted within the eligible time frame.

Costs must be incurred while your policy is in effect, and after the waiting period has expired.

Claims review/reassessment

If a claim is denied, You or the attending Veterinarian may request a review or reassessment. This Appeal must be received within six months from the date of claim denial notice. Additional information may be required to assist in the re-evaluation of the denied claim. This includes but is not limited to: Additional medical documentation, laboratory results, statement from your treating veterinarian.

Ineligible reimbursement charges

We are unable to reimburse you or your veterinarian for administrative tasks like completing any forms, filing fees, prescription or dispensing fees, courier fees or charges for sending medical records, even if your veterinarian chooses to bill you for this.

Other reimbursement rules

We are unable to process reimbursement requests if your premium isn't up to date when you make the request. Reimbursement for charges that you pay in U.S. currency will be adjusted to Canadian dollars without applying any currency conversion exchange. For example, \$800 in U.S. charges will be considered as \$800 in Canadian funds. We do this because your premium is paid in Canadian dollars and are set based on Canadian veterinary charges.

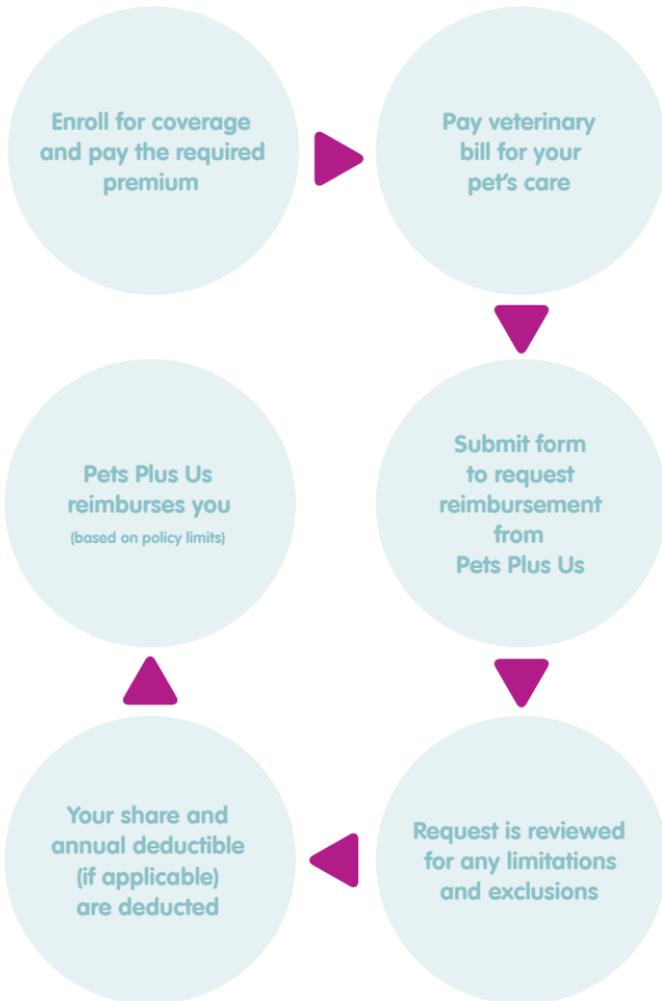

Insurance fraud hurts all pet owners!

If we discover that you've made a false or exaggerated reimbursement request, your coverage will be voided. Any discovered fraud permits Us the right to terminate your coverage.

HOW YOUR COVERAGE WORKS

The chart below gives an overview of your Pets Plus Us coverage procedures.

LEGAL STUFF

We understand that reading legal documents isn't fun. However, it's still vitally important that you understand your coverage, rights and legal responsibilities.

Changes

Your premium and/or coverage features do not change more frequently than once in any 12-month period. We will advise you of any changes at least 30 days in advance.

You can also apply for changes to your coverage at any time. If approved, these changes will take effect on the next month's payment due date following the date we receive your change request.

In the event of You opting to upgrade Your Pet to a policy with higher Coverage limits, the Maximum Benefit Amount payable with respect to Accident Benefits will be sub-limited to the lowest Maximum Benefit Amount payable under the policy(ies) that applied during the period in which said medical condition was first noted, symptomatic, diagnosed, or treated and the current policy. If the level of coverage is lowered, the lower Maximum Benefit Amount shall apply. We will send you a new *Summary of Coverage*.

Changes also include where there is a change in your address that affects your premium.

Cancellation

You must ask to cancel this coverage in writing by mail, fax or e-mail. Cancellation will take effect on your next month's policy anniversary date following the date we receive your cancellation request. If your pet passes, we'll automatically backdate your cancellation to the date on which they passed.

We know we have a great product but if for some reason you decide to cancel your coverage, you have 30 days from the date you complete and submit your application to cancel without any financial obligation. In the event that you notify us to cancel within that period, we will refund any part of the premium that you have paid and your policy shall be void, as long as we have not reimbursed you for any claims.

Other coverage

The coverage outlined in this policy cannot be combined with other Accident coverage. This means that if there are other insurance plans, contracts, or benefits providing you indemnity in respect of your pet for veterinary or therapeutic expenses, this policy will not respond. We will refund any premium collected in the current term, provided no claims have been reimbursed, where our policy overlaps with another insurance policy and coverage will be voided.

E-mail notification

We encourage electronic communications for the delivery of policy documents and claim notifications including reimbursement. We will consider those items as received by you on the date they are sent to the last verified email address we have on record in our system.

Governing laws

In the event of a dispute not able to be resolved between You and Us all laws will be governed by the laws of Ontario and all lawsuits will attorn to the Region of Halton.

Insurance contract

Your contract with us includes your application for insurance, this *User Guide*, your *Summary of Coverage* as amended from time to time in accordance with the policy terms and conditions, any document accompanying the *User Guide* when issued, as well as any amendments agreed to or provided in writing after the policy is issued. The contract also includes any trial coverage or vouchers you may have held with us prior to our issuing of the policy.

Legal actions

We have the right to subrogate. This means that if someone else is found to be responsible for an accident for which we pay an amount, we have the right to legally pursue them, in your name, and recover any incurred amounts that we paid. You must help us if we ask you, by executing such documents as are necessary and by cooperating with us.

Every legal action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* or other legislation applicable in your province.

Recovery from third parties; subrogation; reimbursement; setoff

We will not make payments for claims for which You are entitled to recovery under any other insurance, except for any additional sum that is payable over and above such other insurance and any contribution that We are obliged to make by law. If We make a payment to You and You are also entitled to receive a payment from a third party, Our obligation is subrogated to that right. You will help Us recover any payments that were subject to subrogation and reimburse Us to the extent You recover from a third party (up to the amount of Our payments to You). Notwithstanding anything to the contrary in this agreement and without prejudice to any other right or remedy We may have, We may set off or recoup any liability owed to You pursuant to this policy against any amount We determine, in good faith, that You are liable for to Us, including, without limitation, any overpayments We may have made to You due to subrogation, error, or otherwise.”

Rights of recovery

You must fully comply with all terms and conditions of your contract. You may only start legal action against us within one year after you have provided us with written proof of loss. You also have up to one year from the date we require written proof of loss to take legal action in order to recover a reimbursement amount under this coverage.

you, your

The person named in the *Summary of Coverage* as the policyholder who is the party to the insurance contract with us.

STATUTORY CONDITIONS

You might be alarmed by what follows. It may seem to be unusual language. That is because the following conditions are Statutory Conditions and they must be included in your policy under the laws of some provinces. In other provinces, they are included as part of the insurance contract you have with us.

We recognize that your pets are very important members of your family. However, pet insurance is considered within the class of property insurance for insurance law purposes. So, “property” refers to your pet in the following statutory conditions. We blame the lawyers. “Insured” refers to you, the policyholder.

Misrepresentation

1. If a person applying for insurance falsely describes the property to the prejudice of the insurer, or misrepresents or fraudulently omits to communicate any circumstance that is material to be made known to the insurer in order to enable it to judge the risk to be undertaken, the contract is void as to any property in relation to which the misrepresentation or omission is material.

Property of others

2. The insurer is not liable for loss or damage to property owned by a person other than the insured unless
 - (a) otherwise specifically stated in the contract, or
 - (b) the interest of the insured in that property is stated in the contract.

Change of interest

3. The insurer is liable for loss or damage occurring after an authorized assignment under the Bankruptcy and

Insolvency Act (Canada) or a change of title by succession, by operation of law or by death.

Material change in risk

4. (1) The insured must promptly give notice in writing to the insurer or its agent of a change that is
 - (a) *material to the risk, and*
 - (b) *within the control and knowledge of the insured.*
- (2) If an insurer or its agent is not promptly notified of a change under subparagraph (1) of this condition, the contract is void as to the part affected by the change.
- (3) If an insurer or its agent is notified of a change under subparagraph (1) of this condition, the insurer may
 - (a) *terminate the contract in accordance with Statutory Condition 5, or*
 - (b) *notify the insured in writing that, if the insured desires the contract to continue in force, the insured must, within 15 days after receipt of the notice, pay to the insurer an additional premium specified in the notice.*
- (4) If the insured fails to pay an additional premium when required to do so under subparagraph (3) (b) of this condition, the contract is terminated at that time and Statutory Condition 5 (2) (a) applies in respect of the unearned portion of the premium.

Termination of insurance

5. (1) The contract may be terminated
 - (a) *by the insurer giving to the insured 15 days' notice of termination by registered mail or 5 days' written notice of termination personally delivered, or*
 - (b) *by the insured at any time on request.*
 - (c) *if required by the insurer, give a complete inventory of undamaged property showing in detail quantities and cost of that property, and*
 - (d) *if required by the insurer and if practicable,*
 - (i) *produce books of account and inventory lists,*
 - (ii) *furnish invoices and other vouchers verified by statutory declaration, and*

- (iii) *furnish a copy of the written portion of any other relevant contract.*
- (2) The evidence given, produced or furnished under subparagraph (1) (c) and (d) of this condition must not be considered proofs of loss within the meaning of Statutory Conditions 12 and 13.

Fraud

- 7. Any fraud or wilfully false statement in a statutory declaration in relation to the particulars required under Statutory Condition 6 invalidates the claim of the person who made the declaration.

Who may give notice and proof

- 8. Notice of loss under Statutory Condition 6 (1) (a) may be given and the proof of loss under Statutory Condition 6 (1) (b) may be made
 - (a) *by the agent of the insured, if*
 - (i) *the insured is absent or unable to give the notice or make the proof, and*
 - (ii) *the absence or inability is satisfactorily accounted for, or*
 - (b) *by a person to whom any part of the insurance money is payable, if the insured refuses to do so or in the circumstances described in clause (a) of this condition.*

Salvage

- 9. (1) In the event of loss or damage to insured property, the insured must take all reasonable steps to prevent further loss or damage to that property and to prevent loss or damage to other property insured under the contract, including, if necessary, removing the property to prevent loss or damage or further loss or damage to the property.
- (2) The insurer must contribute on a prorated basis towards any reasonable and proper expenses in connection with steps taken by the insured under subparagraph (1) of this condition.

Entry, control, abandonment

- 10. After loss or damage to insured property, the insurer has
 - (a) *an immediate right of access and entry by accredited representatives sufficient to enable them to survey and examine the property, and to make an estimate of the loss or damage, and*

- (b) *after the insured has secured the property, a further right of access and entry by accredited representatives sufficient to enable them to appraise or estimate the loss or damage, but*
 - (i) *without the insured's consent, the insurer is not entitled to the control or possession of the insured property, and*
 - (ii) *without the insurer's consent, there can be no abandonment to it of the insured property.*

In case of disagreement

- 11.(1) In the event of disagreement as to the value of the insured property, the value of the property saved, the nature and extent of the repairs or replacements required or, if made, their adequacy, or the amount of the loss or damage, those questions must be determined using the applicable dispute resolution process set out in the Insurance Act, whether or not the insured's right to recover under the contract is disputed, and independently of all other questions.
- (2) There is no right to a dispute resolution process under this condition until
 - (a) *a specific demand is made for it in writing, and*
 - (b) *the proof of loss has been delivered to the insurer.*

When loss payable

- 12. Unless the contract provides for a shorter period, the loss is payable within 60 days after the proof of loss is completed in accordance with Statutory Condition 6 and delivered to the insurer.

Repair or replacement

- 13.(1) Unless a dispute resolution process has been initiated, the insurer, instead of making payment, may repair, rebuild or replace the insured property lost or damaged, on giving written notice of its intention to do so within 30 days after receiving the proof of loss.
- (2) If the insurer gives notice under subparagraph (1) of this condition, the insurer must begin to repair, rebuild or replace the property within 45 days after receiving the proof of loss, and must proceed with all due diligence to complete the work within a reasonable time.

Notice

14.(1) Written notice to the insurer may be delivered at, or sent by registered mail to, the chief agency or head office of the insurer in the province.
